After that, there will be discussions, presentations, and question and answers. Poster/Video presentations may follow the above session. Also, educational visits and may conversations will benefit the convened individuals and the field.

THREE TREMENDOUS DAYS OF INNOVATIONS.

Join Zoom Startup team innovation for three days of learning, inspiration, and creative Event. Investors/Inventors around the Globe will attend the Conference. Make connections, strike deals, and launch creative ideas into overdrive!

About Business Startup Expo

- Organized by Zoom Startup in Greater Toronto Area (Canada), the Zoom Startup gathers thousands of Business executives/Entrepreneurs to learn from a program of Zoom Startup business thought leaders.
- The Forum focuses on the new and innovative ideas most relevant to business leaders today and aims to help leaders as they face the challenge of steering their teams and organizations.
- Our goal is to promote new thinking and inspire action, while also offering a unique opportunity for networking with like-minded professionals.
